

**REMARKS**

Claims 10 and 12-17 are pending. In view of the Examiner's comments regarding allowable subject matter, claims 10, 12 and 19 are now cancelled. Claim 13 has been rewritten in independent form, incorporating all limitations of base claim 10 and intervening claim 12 (recall that claim 11 was cancelled in the previous response). Claim 18 has been amended to correct its dependency.

Therefore, in view of the amendments provided, the present application is now in form for allowance and reconsideration and allowance of the claims, as currently pending, is earnestly solicited.

Respectfully submitted,

Peter Tang, et al.
